

To: Honorable Mayor, Council, and City Manager

I am submitting an activity report to you that shows the activities of the Maquoketa Police Department for the calendar year 2009.

This year we had what I consider a normal year for our activity we did not for example have a RAGBRAI or a crime that we would have to call in DCI for help. We as a Department have been busy and we have done a great job on following up on cases and investigation which is something I stress to all the Officers. We have participated in several programs for the community and our youth, which I hope we can continue and expand our effort to reach more of the community. I hope this report does help see what we do.

I would like to thank you for your support this year and please feel free to stop in and let me know what your concerns are or just for a visit.

Respectfully,

Chief Brad Koranda

Personnel

2009 was a quiet year for personnel movement which is nice. We did have one Dispatcher resign Mary Hudlick so we hired Nathan Bormann to replace her. We had no other movement in personnel this year.

Community Efforts

This year I am very proud of our Department's participation in several new and ongoing programs and events in our community. We have several Officers and Dispatchers that teach programs and work with events in our community. I always stress to all of our Employees that we are a serves organization and we need to show it. If we do that we will be paid back by trust and support from our community. I believe we have done this the past few years and it has shown good results. The following are some of the programs and events the Maquoketa Police Department participated in 2009.

National Night Out	This is a great opportunity to give back and connect with people in our community with a free meal and a lot of fun for the kids.
Shop with a Cop	This is a big event for us and we have great conact with the Kids
Bike Safety	at the elementary school in the spring
Safety days at Walmart	we are partnered up with the fire department at Walmart for the day stressing Safety
Domestic Abuse Forum	this is in the High School and we help educate the youth on breaking the cycle of Domestic abuse
GREAT program	Officer Risinger does this in the sixth grade and is explained on the next page
Hooked on fishing Not Drug	Officer Thomson does this in the 4 th grade and is explained on the next page
VEAC	Officer Fier works with program and it helps kids on their career choices

Several of us have done talks with the Boy Scouts, Optimists, Rotary, Kiwanis, Local Banks, Eagles Club, and gave several tours of the Law Center to various groups. I hope to always improve on this list and I feel the work that we have done has helped us with our Law Enforcement efforts in our community.

The following is some further explanation of the programs and special units we have at the Maquoketa Police Department and some statistics on our activity.
